October 2015

We love feedback: please fill out our online volunteer survey

Here at Benton Habitat we strive to create a fun and meaningful volunteer experience for you. In order for us to continue to improve we rely heavily on your feedback. Happy World Habitat Day!

Today (October 6th) is World Habitat Day, one day set aside annually to recognize the basic right of all humanity to adequate shelter, and to encourage grassroots action toward ending poverty housing. Help us celebrate World Habitat Day throughout the entire month of October! We encourage you to **sign up to volunteer** at the build site or ReStore to help us advance Benton Habitat's mission of providing affordable housing in the community. Signing up is easy. Stay tuned: new Home Repair projects coming up!
